

CHICO SPA

DEEP RELAXATION AND HEALING
FOR MIND AND BODY

Bath Salts & Seaweed Products

Sea salts and seaweed baths have been used in seaside cultures across the ages for cleansing and healing. Chico Spa's natural, fresh-scented Pacific Ocean seaweed products heal a range of skin problems, including radiation burn. The hydrating gels in seaweeds are the basis for many premier products recommended by dermatologists to reduce inflammation, mineralize, nourish and soften the skin.

Chico's bath products also alleviate body aches and pains; calm anxiety and support whole body detoxification. Spa physicians in Europe prescribe regular warm salts baths as effective treatment for rheumatoid and osteoarthritis, fibromyalgia, and body pain. Chico's Sore Body Bath adds seaweeds to hydrate the skin and herbs to reduce inflammation.

Sore Body Bath – \$30

This is Dr. Rogers' fragrant formulation of hand-harvested red and brown seaweeds, Dead Sea salts, and herbs—lavender, rose, basil, coriander and cumin—to use in a warm bath. Refrigerate after use and reuse 4-5 times. Instructions included.

Use for body pains, psoriasis, cleansing regimes, insomnia.

PRODUCT DETAILS:

Anti-inflammatory, detoxifying and calming
6 x 9" reusable bath bag. (1 lb.)

Skin Soothe – \$20

Brew and apply this fresh-scented mixture of pure, hand-harvested seaweeds topically to heal the skin. The seaweed gel quickly cools and relieves the redness of rosacea or pain of a burn. Rinse and refrigerate to reuse many times. Instructions included.

Effective for dry skin; burns, including radiation burn; rosacea; psoriasis; shingles; eczema.

PRODUCT DETAILS:

Topical application to clarify and heal skin
Reusable applicator bag. (1 oz.)

Seaweed Bath – \$25

Create a luscious pillow of Pacific Ocean healing plants for your whole-body treatment and nourishing bath. Free of toxins and heavy metals, Seaweed Bath relaxes and adds essential minerals to the body; hydrates and softens the skin and hair. Includes instructions. Rinse applicator bag and refrigerate to reuse many times.

Use for inflamed skin; burns, including radiation burn; to cleanse and relax the body.

For Detoxification Programs:

Bathe several times a week in a warm seaweed bath. Smooth bag over body and allow skin to absorb the gel. Use together with a cleansing diet; sweating; and moderate exercise to reduce toxicity; condition the nervous system to relax; and restore balance to body, mind, heart and soul.

PRODUCT DETAILS:

Anti-inflammatory, detoxifying, softens & clarifies skin
6 x 9" reusable bath bag. (2 oz.)
